

# QUALITY POLICY

**0300-  
06380Quality**

Hochiki America will strive to deliver the highest quality materials and workmanship for all our fire alarm system products by first complying with all applicable process and product related standards.

**Service**

Hochiki America will strive to meet or exceed the expectations of our customer, applicable interested parties, and legal requirements.

**Performance**

Hochiki America will continuously measure our performance to validate our high expectations.

**Continuous  
Improvement**

Hochiki America will commit to continual improvement of the quality management system.
